

Course Title: Geriatric Rehab 107 - Impaired Motor Control

Course Description: Geriatric Rehab 107, Impaired Motor Control, is a 2-hour course designed for the clinician working in geriatrics in the acute care environment. This course will cover various aspects of motor control along with various motor impairments that may occur throughout the aging process. This clinically-relevant information will provide the clinician with the proper knowledge and foundation to be better equipped to treat and diagnose geriatric patients with motor impairments and help to design effective treatment plans.

Target Audience: OT / OTA and other healthcare professionals

Course Type: Video vs. Text-based

Educational Level: Beginner, Intermediate, Advanced

CE Hours: 1 contact hour / .1 ceu

Course Prerequisites: None

Course Author / Instructor: Guccione, PT, PhD, DPT / Brown, MS, OTR/L, CHT

Learning Objectives:

- Define and differentiate common motor control impairments including paresis, abnormal tone, fractionated movement deficits, ataxia, hypokinesia, somatosensory loss, and perceptual deficits
- Outline and explain at least 5 tests to assess motor control impairment
- Become familiar with diagnosis and prognosis of motor control impairments
- Understand movement system diagnostic categories for motor control impairments
- Discuss current evidence underlying impaired motor control interventions

Agenda:

Hour #1

COMMON MOTOR CONTROL IMPAIRMENTS

Paresis Abnormal Tone Ataxia Hypokinesia

Perceptual Deficits Somatosensory Loss

EXAMINATION OF PATIENTS WITH IMPAIRED MOTOR CONTROL

Diagnosis and Prognosis

Hour #2

PLAN OF CARE AND REHABILITATION APPROACH

CURRENT EVIDENCE UNDERLYING IMPAIRED MOTOR CONTROL INTERVENTIONS

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .1 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 1.25 NBCOT PDUs. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
