

Course Title: Surgical Techniques 105 - Open Treatment of Lateral and Medial Epicondylitis

Course Description: Surgical Techniques 107, Open Treatment of Lateral and Medial Epicondylitis, is a 2-hour course designed for the clinician working with patients with upper extremity conditions and elbow pain associated with epicondylitis. This lesson provides a step-by-step, “how-to” approach on performing surgical reconstruction of the lateral and medial epicondyle. At the end of this lesson, the learner will have a more comprehensive understanding about open treatment of lateral and medial epicondylitis and this information is imperative for the rehab professional to be able to provide safe and effective rehab interventions and treatment planning.

Target Audience: OT / OTA and other healthcare professionals

Course Type: Video vs. Text-based

Educational Level: Beginner, Intermediate, Advanced

CE Hours: 2 contact hour / .2 ceu

Course Prerequisites: None

Course Author / Instructor: Shervondalonn R. Brown, MD and Robin J. Goitz, MD /Brown, MS, OTR/L, CHT

Learning Objectives:

- Describe the pathology involved in medial and lateral epicondylitis
 - Explain the components for performing a comprehensive physical examination on a patient with medial and lateral epicondylitis
 - Become familiar with imaging used in the diagnosis of medial and lateral epicondylitis
 - Explain the indications and contraindications for open treatment of medial and lateral epicondylitis
 - Become familiar with the surgical technique for open treatment of medial and lateral epicondylitis
 - Explore the rehabilitation process, complications and expected outcomes following open treatment of medial and lateral epicondylitis
- Outline of Content:

Hour #1

LATERAL EPICONDYLITIS
PREOPERATIVE CONSIDERATIONS
POSTOPERATIVE CONSIDERATIONS
RESULTS

Hour #2

MEDIAL EPICONDYLITIS
PREOPERATIVE CONSIDERATIONS
POSTOPERATIVE CONSIDERATIONS
RESULTS

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .2 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 2.50 NBCOT PDUs. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
