AOTA Approved Provider #4023

Course Title: Boundary Training 116

Course Subtitle: Professional Boundaries Guided by Respect

Target Audience: OT/OTA

Course Length: 1 hour

Course Author/Instructor: Saporito, DC

Educational Level: Introductory, Intermediate, Advanced

Course Objectives:

At the end of this course, participants will be able to:

- Describe why the idea of professional boundaries is relevant to respect
- Distinguish a respectful, professional approach from one based non-objectivity and efficiency alone
- Identify and discuss appropriate physical boundaries in relation to unconsented touching, sexual touching, and sexual contact
- Describe three types of situations in which maintaining emotional boundaries are crucial to avoiding enmeshment
- Identify clues that may alert you that your sympathy is becoming pity
- Define over-identification and its negative effects
- Describe what it means to care too much
- List some ways that honoring professional boundaries serves the positive goals of the health professional and patient relationship

Instructional Methods and Formats:

Online course available 24/7 at www.OnlineCE.com includes PDF downloadable course. See course formats for additional details.

Course Completion Requirements:

A minimum passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course, you will receive your certificate of completion and AOTA eligible CEUs.
