

Course Title: Hand Therapy 142 – Acute Distal Radioulnar Joint Instability

Course Source: Hand Clinics, Nov. 2020

Target Audience: OT / OTA and other healthcare professionals

Course Type: Video vs. Text-based

Educational Level: Beginner, Intermediate, Advanced

CE Hours: 1 contact hour / .1 ceu

Course Prerequisites: None

Course Author / Instructor: Louis H. Poppler, MD and Steven L. Moran, MD / Brown, MS, OTR/L, CHT

Learning Objectives:

- Outline and describe the DRUJ and list primary and secondary stabilizers of the joint
- Differentiate simple vs complex DRUJ dislocations
- Explore TFCC injuries and describe Palmer's classification of injuries
- Examine clinical and radiographic methods for diagnosing DRUJ instability
- Describe Galeazzi and Essex-Lopresti and how they affect the stability of the DRUJ

Agenda:

Hour #1

Introduction

Anatomy

Diagnosis of distal radioulnar joint instability

Acute distal radioulnar joint dislocation

Triangular fibrocartilage complex injuries

Distal radius fractures and distal radioulnar joint instability

Distal ulnar fractures and distal radioulnar joint instability

Galeazzi fractures and distal radioulnar joint instability

Essex-Lopresti fractures and distal radioulnar joint instability

Summary

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 1.25 NBCOT PDU's. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
