

Course Title: Pediatrics 246 – Instrumental Activities of Daily Living, Driving, and Community Participation

Course Description:

Source: Occupational Therapy for Children and Adolescents, 7th Edition, by Jane Case- Smith EdD, OTR/L, FAOTA and Jane Clifford O’Brien, PhD, OTR/L

Source Description: Focusing on children from infancy to adolescence, Occupational Therapy for Children and Adolescents, 7th Edition provides comprehensive, full-color coverage of pediatric conditions and treatment techniques in all settings. Its emphasis on evidence-based practice includes updated references, research notes, and explanations of the evidentiary basis for specific interventions. And coverage of new research and theories, new techniques, and current trends, with additional case studies, keeps you in step with the latest advances in pediatric OT practice. Written by educators Jane Case- Smith and Jane Clifford O’Brien, this text is the Number One book in pediatric OT!

See course outline below for details and inclusive content in Pediatrics 246 course

Target Audience: OT / OTA and other healthcare professionals

Course Type: Video vs. Text-based

Educational Level: Beginner, Intermediate, Advanced

CE Hours: 2 contact hour / .2 ceu

Course Prerequisites: None

Course Author / Instructor: Jane Case-Smith EdD, OTR/L, FAOTA and Jane Clifford O’Brien, PhD, OTR/L / Brown, MS, OTR/L, CHT

Learning Objectives:

- List and describe the instrumental activities of daily living (IADL) during childhood
- Examine how participation in IADL and community activities contributes to occupational development for children and youth of all abilities
- Describe the developmental opportunities and expectations for participation in IADL and community participation for children and youth
- Examine and explain 3 theoretical foundations of occupation-based interventions for improving participation and performance of IADL and community activities and the evidence that supports these interventions
- Describe 3 assessments specifically used to evaluate IADL and community participation for children and youth
- Examine approaches and strategies used by an OT to increase participation and performance of IADL and community activities for children and youth with special needs

· Describe and examine how emotional well-being, health, peer relationships, and life satisfaction are associated with IADL and community participation

Agenda:

Hour #1

Occupational Development of IADL and Community Participation
Personal and Contextual Influences on IADL and Community Participation
Personal Influences
Contextual Influences
Evaluation of IADL
Measurement of Outcomes

Hour #2

Transition Planning
Theoretical Models and Intervention
Approaches
Ecological Models
Family and Client-Centered Models of Practice
Summary

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .2 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 2.50 NBCOT PDUs. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
