

Course Title: Pediatrics 247 – Neonatal Intensive Care Unit

Course Description:

Source: Occupational Therapy for Children and Adolescents, 7th Edition, by Jane Case- Smith EdD, OTR/L, FAOTA and Jane Clifford O’Brien, PhD, OTR/L

Source Description: Focusing on children from infancy to adolescence, Occupational Therapy for Children and Adolescents, 7th Edition provides comprehensive, full-color coverage of pediatric conditions and treatment techniques in all settings. Its emphasis on evidence-based practice includes updated references, research notes, and explanations of the evidentiary basis for specific interventions. And coverage of new research and theories, new techniques, and current trends, with additional case studies, keeps you in step with the latest advances in pediatric OT practice. Written by educators Jane Case- Smith and Jane Clifford O’Brien, this text is the Number One book in pediatric OT!

Target Audience: OT / OTA and other healthcare professionals

Course Type: Video vs. Text-based

Educational Level: Beginner, Intermediate, Advanced

CE Hours: 2 contact hour / .2 ceu

Course Prerequisites: None

Course Author / Instructor: Jane Case-Smith EdD, OTR/L, FAOTA and Jane Clifford O’Brien, PhD, OTR/L / Brown, MS, OTR/L, CHT

Learning Objectives:

- Examine and describe the scope of knowledge and the various roles required for competent practice in the neonatal intensive care unit
- Describe what is meant by “potentially better practices to support neurodevelopment in the NICU,” as developed by the collaborative Vermont Oxford Network project
- Describe and outline 3 ways in which the intrauterine and NICU extrauterine environments differ
- Describe 3 protective interventions used to reduce avoidable stimulation from excessive or inappropriate light, sound, and caregiving practices in the NICU
- Describe why protected sleep is so important to an infant in the third trimester, whether in the womb or the NICU
- List and examine 3 factors that are considered in evaluating an infant in the NICU
- Outline and describe 6 neurobehavioral states, as defined by Brazelton and Als

Agenda:

Hour #1

Overview of NICU and Developmental Care
Nursery Classification and Regionalization of Care
Developmental Specialists and the NICU Team
Becoming a Developmental Specialist
Developing a Medical Foundation
Abbreviations and Terminology
Classification for Age
Classification by Birth Weight

Hour #2

Models of Care in the NICU
Universe of Developmental Care Model
Neonatal Integrative
Developmental Care Model
NICU Environment and Caregiving
Infant Neurobehavioral and Neuromotor Development Evaluation of the Infant
Infant Neurobehavioral Development Neuromotor Development and Interventions

Hour #3

Feeding
Breast Feeding
Oral Feeding
Partnering with Families in NICU
Establishing Your Niche in the NICU Team
Summary

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .2 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 2.50 NBCOT PDUs. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
