

**Course Title:** Pediatrics 248 – Hospital and Pediatric Rehabilitation Services

**Course Description:**

**Source:** Occupational Therapy for Children and Adolescents, 7th Edition, by Jane Case- Smith EdD, OTR/L, FAOTA and Jane Clifford O'Brien, PhD, OTR/L

**Source Description:** Focusing on children from infancy to adolescence, Occupational Therapy for Children and Adolescents, 7th Edition provides comprehensive, full-color coverage of pediatric conditions and treatment techniques in all settings. Its emphasis on evidence-based practice includes updated references, research notes, and explanations of the evidentiary basis for specific interventions. And coverage of new research and theories, new techniques, and current trends, with additional case studies, keeps you in step with the latest advances in pediatric OT practice. Written by educators Jane Case- Smith and Jane Clifford O'Brien, this text is the Number One book in pediatric OT!

See course outline below for details and inclusive content in Pediatrics 247 course

**Target Audience:** OT / OTA and other healthcare professionals

**Course Type:** Video vs. Text-based

**Educational Level:** Beginner, Intermediate, Advanced

**CE Hours:** 2 contact hour / .2 ceu

**Course Prerequisites:** None

**Course Author / Instructor:** Jane Case-Smith EdD, OTR/L, FAOTA and Jane Clifford O'Brien, PhD, OTR/L / Brown, MS, OTR/L, CHT

**Learning Objectives:**

- Describe 5 characteristics of children's hospitals and the functions of OTs in these settings
- Describe which types of children are commonly treated in hospital-based rehabilitation units, other specialized inpatient units, and outpatient therapy services
- Describe OT interventions in children's hospitals, and examine what evidence exists to support interventions for children with common diagnoses
- Outline 3 intervention approaches and 3 teaching strategies that are commonly used in pediatric rehabilitation
- Describe how OTs establish collaborative relationships with other providers in interdisciplinary and transdisciplinary teams
- Outline how OTs promote family participation in rehabilitation and address transition home as part of discharge planning

**Agenda:**

### **Hour #1**

Characteristics of Children's Hospitals  
Regions and Locations Served  
Missions of Children's Hospitals  
Research on Systems and Care  
Outcomes  
Family and Child-Centered Care  
Accrediting and Regulatory Agencies  
Reimbursement for Services  
OT Services in a Children's Hospital  
Functions of OT's  
Documentation of OT Services  
Scope of OT Services

### **Hour #2**

Organization of Hospital-Based Services  
Hospital-Based Therapy Teams  
Acute Care Units  
Specialty Units  
Rehabilitation Services  
Transition from Rehab to Community Outpatient Services  
Summary

### **Course Completion Requirements:**

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

### **Additional Course Information**

**Course Registration:** Register for Free at [www.OnlineCE.com](http://www.OnlineCE.com). Once registered, you can begin to purchase courses. Contact [info@onlinece.com](mailto:info@onlinece.com) for special needs requests and assistance.

**Refund Policy:** There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

**Cancellation Policy:** Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

**Course Date and Location:** This is an independent course that is available 24/7 on-demand at [www.OnlineCE.com](http://www.OnlineCE.com).

**Required Materials and Equipment:** Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .2 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 2.50 NBCOT PDUs. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
