

Course Title: Pediatrics 252 – Pediatric Hand Therapy

Course Description:

Source: Occupational Therapy for Children and Adolescents, 7th Edition, by Jane Case- Smith EdD, OTR/L, FAOTA and Jane Clifford O’Brien, PhD, OTR/L

Source Description: Focusing on children from infancy to adolescence, Occupational Therapy for Children and Adolescents, 7th Edition provides comprehensive, full-color coverage of pediatric conditions and treatment techniques in all settings. Its emphasis on evidence-based practice includes updated references, research notes, and explanations of the evidentiary basis for specific interventions. And coverage of new research and theories, new techniques, and current trends, with additional case studies, keeps you in step with the latest advances in pediatric OT practice. Written by educators Jane Case- Smith and Jane Clifford O’Brien, this text is the Number One book in pediatric OT!

- List and describe 5 common diagnoses and associated impairments treated by pediatric hand therapists
- Examine 3 interventions that OTs implement with children who have upper extremity impairment
- Examine 3 ways in which OTs in pediatric hand therapy apply interventions to achieve desired clinical outcomes

Hour #1

Assessment

Initial Screening and Assessment

Clinical Assessment

Standard Assessment

Tools

Unstructured Clinical Observations

Intervention Principles and Strategies

Pain Management

Splinting

Casting

Kinesiology Tape

Child and Family Education: Activity Modification, Joint Protection, and Energy Conservation

Wound Care

Scar Management

Hour #2

Edema

Control

Desensitization

Sensory Re-Education

Range of Motion Exercises

Strengthening

Reducing Muscle Tone

Fine Motor Skills and Bimanual Coordination

Mirror Therapy

Interventions for Specific Conditions

Summary

Course Completion Requirements:

A passing score of 100% is required for course completion. You will have as many attempts as needed until your passing score of 100% is achieved. Upon successful completion of course and completing a satisfaction survey, you will receive your certificate of completion.

Additional Course Information

Course Registration: Register for Free at www.OnlineCE.com. Once registered, you can begin to purchase courses. Contact info@onlinece.com for special needs requests and assistance.

Refund Policy: There will be no refunds for courses taken at OnlineCE.com or monies deposited into My CE Bank. Any money on account will be used for taking future courses. If you start a course in error, or if you are dissatisfied with a course, please contact us in the first part of the course and we will void the course and you can select a replacement course.

Cancellation Policy: Only available courses are offered online and on-demand and available for purchase. No registration fees are collected for courses that are not provided on-demand. Due to the online and on demand format, courses are not cancelled.

Course Date and Location: This is an independent course that is available 24/7 on-demand at www.OnlineCE.com.

Required Materials and Equipment: Courses offered on OnlineCE.com can be accessed on any type of computer or device. No special software is required but we do recommend the use of the Chrome Browser (recommended, not required). All course materials are contained within the courses and no prerequisites are required.

OnlineCE.com is an AOTA Approved Provider of professional development, #4023. Course approval ID#4023. This distance learning-independent course is offered at .2 CEUs. Intermediate educational level, category foundational knowledge. AOTA does not endorse specific course content, products, or clinical procedures.

OnlineCE.com is an NBCOT Professional Development Provider. This course is offered for 2.50 NBCOT PDU's. NBCOT® is a registered trademark of the National Board for Certification in Occupational Therapy.
