We ask interactive polling questions during each seminar hour. These will popup on your screen during the event. Your selections are anonymous to everyone in the meeting room, but you must answer them as they are verification of your attendance. If you do not answer them for any reason, it is your responsibility to immediately contact us via the Q & A chat or you may not get credit for the seminar. You should also jot down your answers in case we ask you for them.

NOTE to Ipad/Iphone Mobile device users: when a polling question is announced and brought up in the meeting room, a fifth icon appears (a tilted square with a check). **YOU MUST CLICK ON THIS ICON** in order to answer the required polling question.

Be sure to write down the PIN code when announced during the seminar
